*Discussion on the WINDSPEED Roadmap, addressing key questions, such as “How do we pave the way for offshore wind in the North Sea, do we need a target, if so, what would be an ambitious but realistic 2030 target? What spatial priorities should we set? How can we benefit from cross-border synergies? What is the importance of integrated MSP? Do we need a grand design, or is stepwise coordination between countries sufficient?”*

17h45 – 18h00 Closing remarks, **Colin Morgan** (GL Garrad Hassan)
