**11<sup>th</sup> Business Run**  
**EWEA 2013 Vienna**  
**February 5<sup>th</sup> 2013 7:30am**

**Dear Runners and Business Friends,**

Together with the Danish Wind Industry Association, the European Wind Energy Association and our main sponsors J. Müller BreakBulk Terminal Brake and SAL Heavylift we invite you to participate at the **11<sup>th</sup> BUSINESS RUN EWEA 2013 VIENNA**

This event is a run, not a race. However there will be some fast Vikings for those seeking a challenge. Everybody is welcome.

Start is on February 5<sup>th</sup>, 2013 precisely at 7:30am. The loop is about 5K. There will be a second loop of approx. 10K.

There will be a faster group for more ambitious runners and a slower group for newcomers. Both groups will end up at the same (indoor) location where refreshments are served, and where you can meet & network with your co-runners & sponsors. We expect the event to end at 8:45am.

The starting point is *Äußeres Burgtor*, Burgring, 1010 Vienna (the port entrance to the Heldenplatz).

The Participation Fee is EUR 25,- which is donated entirely to the charity organisation Renewable World [www.renewable-world.org](http://www.renewable-world.org)

You can pay and register at the [www.ewea.org/annual2013/registration](http://www.ewea.org/annual2013/registration) or via email to [BREWEA@flensburg-associates.com](mailto:BREWEA@flensburg-associates.com)

After the run, you will receive a listing of all participants for networking purposes.

Do good to your business and yourself, sign up for this great networking event!

Yours,  
Katrin Flensburg, Flensburg and Associates GmbH
