</table>
Fire hoses

Yes, (RIA) must not be concealed, accessible at all times.

Pillars

There are different pillars in the exhibition hall:
- Steel pillars with fire hose
- Concrete pillars with fire hose

You can see different types on the technical plan below.
It is the responsibility of each exhibitor to check the exhibition floor plans and to see if there are pillars on / nearby their stand. It is possible to brand pillars located within your stand up to the height of your stand (max. 6 meters). Pillars with fire equipment on them cannot be obstructed. Exhibitors will be liable for any damage incurred to the pillars.

**Carpet in the aisles**
Aisle carpet in the exhibition hall will run from edge to edge of your stand. Please ensure that your carpet or platform edge is carefully finished.

If you have any further questions about the hall, please contact EWEA Exhibition Operations Team

Tel: +44 247 651 0015

**Parking**
During build-up and breakdown, exhibitors can access the hall via M Gate.

- Respect Highway Code
- Speed limit is 20km/h
- Stop and parking are forbidden in fire lanes
- **No parking or storage of any kind** will be permitted inside the Parc de Expositions Paris Porte de Versailles during event opening times

Parking is free during build-up and breakdown.

Traffic marshal will guide you to the nearest vicinity of the hall entrance. Once you have loaded/unloaded your vehicle please leave the inner area and park in the designated car park.

During the exhibition period, a parking charge will apply, please contact VIPARIS Exhibitor Services to book a parking place, Car Park “R”. Cars can be left for 24 hours a day, the car park is open from 08:00 – 23:00

**Lorry parking**
Once your vehicle has unloaded it will be directed away from the vehicle loading bays to a designated area for large vehicles in Heliport.

Access

All exhibitors and contractors must wear a contractor wristband at all times during the build-up and breakdown of the exhibition. Contractor wristbands should be collected from the security personnel upon arrival on site. They may also be collected from the Organiser’s office.

During the exhibition opening hours, all participants are required to wear a badge. For more information, please refer to the registration section in this manual.

All vehicles delivering exhibits or stand-fittings must present a vehicle delivery pass. For security reasons, a completed vehicle delivery pass must be displayed in the vehicle's windscreen at all times. Transport and deliveries will be directed to the vehicle access doors closest to your stand. Security guards or traffic personnel can help direct you to the correct door.
