

Power Curve Working Group

Vestas' reflections after year 1

Power Curve Working Group

Overall purpose

Guiding principle?

The Developer / Investor community want:

Realistic "P50" Power Curve for the "Real World" conditions at their site – what ever they are.

GL Garrad Hassan

er Garrad Hassan

Wind. It means the world to us.™

Power Curve Working Group

Round Robin Exercises

- Thanks for Peter arranging this – huge effort
- Difference in interpreting – interesting to see
- The consensus data set can be used as recommendation for interpretation of the standard

- Is REWS doing the difference?
- We have not yet seen the large effects
- Interesting to monitor when having the validation dataset

The Vestas logo is positioned in the top left corner of the slide. It features the word "Vestas" in a bold, italicized, white sans-serif font, followed by a registered trademark symbol (®). The background of the top half of the slide is a vibrant blue sky with wispy white clouds, and a faint, curved white shape is visible on the left side.

Wind. It means the world to us.™

Thank you for your attention
