

2004 EUROPEAN Wind Energy Conference & Exhibition

22-25 November, London, UK

Programme Overview - Draft

Monday 22 nd November	
08:00	Registration, welcome coffee + poster session
10:00	Opening Session - Key Note Address: UK Secretary of State, Patricia Hewitt
12:00	Official Exhibition Opening + Lunch (Exhibition Halls 1&2)
14:00	Achievements + challenges
15:30	Coffee Break (Exhibition Halls 1&2)
16:00	Round Table - Security of energy supply
17:30	End
19:30	Conference Reception

Tuesday 23 rd November - POLICY + MARKETS				
Time	Business & Policy	Scientific	Technical	Workshops
08:00	Registration, welcome coffee + poster session			
09:00	Integrating wind power in electricity markets	Science of Wind Energy I	Resource assessment	Research & development strategy
10:30	Coffee Break - (Exhibition Halls 1&2)			
11:00	Impacts of policies on market development			
12:30	Lunch - (Exhibition Hall 2)			Small Wind
14:00	Finance forum	Poster Session		
15:30	Coffee Break - (Exhibition Halls 1&2)			
16:00	European & global markets	Science of Wind Energy II	Aerodynamics & loads	Grids & growth
17:30	End			
17:30	Exhibitor reception & Renewable Connections reception - (Exhibition Halls 1&2)			

Wednesday 24 th November - INDUSTRY + OFFSHORE				
Time	Business & Policy	Scientific	Technical	Workshops
08:00	Registration, welcome coffee + poster session			
09:00	Project financing	Measurement methods & techniques	Latest turbine developments	Offshore
10:30	Coffee Break - (Exhibition Halls 1&2)			
11:00	CEO Vision - Future structure of the industry			
12:30	Lunch - (Exhibition Hall 2)			
14:00	Offshore: developments & prospects	Improving wind resource assessment	Electrical system design & control	Innovative components & systems
15:30	Coffee Break - (Exhibition Halls 1&2)			
16:00	Market structures	Aeroelasticity & loads	Offshore - Technology trends	Electrical system design & control
17:30	End			
19:30	Conference Dinner - Natural History Museum			

Thursday 25 th November - GLOBAL & ENVIRONMENTAL ISSUES				
Time	Business & Policy	Scientific	Technical	Workshops
08:00	Registration, welcome coffee + poster session			
09:00	Environmental issues	Aerodynamics	Autonomous & distributed systems	Emerging international wind markets
10:30	Coffee Break - (Exhibition Halls 1&2)			
11:00	Winning hearts & minds	Systems, grid integration & control	Condition monitoring & measurement	Climate change policies
12:30	Closing Session			
13:00	Buffet lunch and farewell cocktail - Conference Entrance			
14:00	End
