

Belgian Day program – 15 March at EWEA Event 2011

Belgian conference: How to connect a massive wind energy development into the future grid?

Time	Where	Tuesday, 15 March 2011	
09:30	Restaurant 1 st Floor Hall 11	Welcome - Coffee	
10:00	Exhibition area	Belgian wind energy market	Introduction to the Belgian event (and start of the guided tour)
10:15			Meet the Belgian companies on the exhibition floor – guided tour
11:45		Lunch / Exhibition visit	
14:00		Start conference – Welcome <i>Bart Bode - ODE / Michel Helbig - EDORA</i>	
14:10	Conference room 2 ^{de} floor Hall 11	Belgian wind energy status	Belgian onshore and offshore wind energy: status, constraints, targets & potentials <i>Speakers: Fawaz Al Bitar - EDORA / Bart Bode - ODE</i>
14:30			Government's vision on wind energy in Belgium <i>Freya Van den Bossche - Flemish Minister of Energy Representative of the Walloon Minister of Energy</i>
15:00			Belgian value chain and employments potentials <i>Cédric Brüll - cluster Tweed Jan Declercq – Agoria Renewable Energy Club</i>
15:30	Restaurant	Coffee break	
16:00	Conference room 2 ^{de} floor Hall 11	Panel: Future Grid	Needed offshore and onshore grid reinforcements and adaptations to allow ambitious middle and long terms wind energy integration Panel's speakers: <i>Marie-Pierre Fauconnier - Federal Administration Daniel Dobbeni - CEO of ELIA Achim Woyte - 3E Jan Vande Putte – Greenpeace Noémie Laumont - EDORA</i> Moderator: EWEA
17:20			Final conclusions <i>Noémie Laumont - EDORA/ Chris Derde - ODE</i>
17:30	Restaurant	Reception
