Exhibition terms and conditions

1. EWEA

The European Wind Energy Association asbl/vzw, with registered offices in Rue d'Arlon 80, 1040 Brussels, Belgium, RPR-RPM BE 0476 915 445), (hereinafter "EWEA") is the organiser of the event and alone is empowered to accept or reject applications and to allocate stands. Its decisions are final.

2. EXHIBITION CONTRACT

These exhibition terms and conditions and the exhibition form (together referred as the "Exhibition Contract") shall govern the relationship between the parties for the subject matter hereof to the exclusion of all other terms, including any terms and conditions issued by the exhibitor. The Exhibition Contract enters into force and reservation of the stand space is confirmed upon reception of a confirmation email to the client by EWEA. 30% of the total price is due by the exhibitor at the confirmation of the reservation. EWEA does not guarantee availability of the stand space as long as 30% of the total price is not paid. EWEA shall only definitively allocate the stand location once the total price is paid. The 30% payment remains nevertheless due by the exhibitor. In the event the exhibitor changes VAT number, it undertakes to sign a new Exhibition Contract. This new Exhibition Contract shall not affect the price and sums already paid under the previous Exhibition Contract.

3. PRICE AND PAYMENT CONDITIONS

The price shall exclude VAT and all taxes, duties and other costs. Exhibitor shall pay each invoice within 30 days as from the date of invoice. In the event of late payment of the invoice, EWEA is automatically and without prior notice entitled to an interest equal to 1% per month on any outstanding amount and to an administrative cost of EUR 100 per unpaid invoice, without prejudice to other remedies EWEA has under the Exhibition Contract or applicable law.

For reservations made earlier than 8 months before the event, 30% of the total price shall be invoiced upon reservation and the remaining 70% will be invoiced 8 months before the event. For reservations made later than 8 months before the event, 100% of the total price shall be invoiced upon reservation.

4. CHANGES BY EWEA

For the organisation of the event, EWEA depends on a large number of practical requirements (local event guidelines, physical constraints, safety rules etc.) and third parties (venue owner, local fireman department etc.) that can have an influence on the event's organisation. EWEA shall inform the exhibitor of any substantial change in the Exhibition Contract. In the event the exhibitor does not react within 15 days as from the notification of such change, the exhibitor is deemed to have accepted such change. Should the exhibitor disagree with the proposed change, both parties undertake to use their best efforts in order to find a compromise.

Notwithstanding the above, the exhibitor shall accept any change which is required by law, regulation, court order, governmental/regional authorities or by the venue owner.

5. CHANGES BY EXHIBITOR

An exhibitor cannot change his reservation except to the following extent:

- Reduction of space

EWEA undertakes to consider any request for reduction of space when requested earlier than 8 months before the event, unless the requested reduction exceeds 70% of the space. If the reduced square meters can possibly be sold to third parties, EWEA shall grant the request for reduction of space and reimburse the exhibitor proportionally for each removed square meter, less EUR 50 per square meter of reduced space to cover EWEA's administrative costs. EWEA cannot guarantee to consider or grant any request for reduction of space when the reduced square meters cannot possibly be sold to third parties or respectively when requested later than 8 months before the event.

- Cancellation of reservation

Any cancellation of a reservation must be made by registered post to EWEA. For cancellations made earlier than 8 months before the event, 30% of the price for the stand will be due as cancellation fee. For cancellations later than 8 months before the event, the exhibitor has to pay the full price as cancellation fee.

- Change of stand type

EWEA undertakes to consider any request for change of the stand type (space only/full service stand) when requested earlier than 6 months before the event. Acceptance by EWEA of a change from space only to a full service stand will only be effective upon payment of the total price of the full service stand plus an administration cost of EUR 150. In the event of acceptance by EWEA of a change from a full service to a space only stand, EWEA will, if applicable, reimburse the sums paid by the exhibitor in excess, less an administration cost of EUR 150.

6. PAVILIONS

Wind energy associations, national governments or agencies can organise a pavilion to host companies. The following rules apply for a pavilion:

- 1 The organiser of a pavilion is responsible for organising the stand e.g. payment, stand construction.
- 2 The organiser of the pavilion is responsible for registering all companies present in the pavilion and will be charged EUR 250 per each co-exhibitor - to cover administration costs and the company description in the exhibition catalogue.
- 3 Invoices for the total space rented and the co-exhibitors fees will be issued to the organiser of the pavilion.
- 4 The comprehensive list of co-exhibitors must be submitted at least three months prior to the event in order to include the full list of co-exhibitors in the exhibition catalogue.
- 5 The organiser of a pavilion can only resell space to co-exhibitors having a connection (membership, regional or national identity, etc.) with the organiser of the pavilion. The resell price charged by the organiser of a pavilion to a co-exhibitor cannot exceed the price per sqm that EWEA charged/will charge to the organizer for the same stand/space.

7. CO-EXHIBITORS

An exhibitor can host other companies on the same stand surface. The following rules apply for these co-exhibitors:

- 1 An exhibition form needs to be submitted for each co-exhibitor.
- 2 The main exhibitor is responsible for organising the stand e.g. payment, stand construction. However, if the main exhibitor is a member of EWEA and its co-exhibitor is non-member, the latter is obliged to pay the non-member rate for the sqm used of the main stand and needs to provide this figure upon reservation.
- 3 The main exhibitor will be charged EUR 250 for each co-exhibitor to cover administration costs and the company description of the co-exhibitor in the exhibition catalogue.
- 4 The resell price charged by the main exhibitor to a co-exhibitor cannot exceed the price per sqm that EWEA charged/will charge to the main exhibitor for the same stand/space.

8. ADDITIONAL SERVICES

- 1 Any service not expressly mentioned in the Exhibition Contract is to be arranged by the exhibitor at additional cost. With respect to services for which EWEA works with exclusive suppliers in some venues, the exhibitor is required to use these exclusive suppliers.
- 2 Upon request of the exhibitor, EWEA may provide meeting rooms or outside space to be rented by the exhibitor. These rooms or outside space are rented at an additional charge, and depending on availability. The request of the exhibitor needs to be approved by EWEA. Any change from submitted and approved requests can result in onsite changes of branding or, in extreme situations, dismantling of the exhibit at the cost of the exhibitor. Without prejudice to the Exhibition Contract, the specific terms and conditions of the relevant meeting room and/or outside space contracts will apply.

9. OBLIGATIONS

- 1 Advertising on site is only possible through the channels offered by EWEA and may only be handed out on the exhibitor's own stand. Noisy advertising of any kind, in particular the use of loudspeakers, is prohibited.

- 3 The exact timetable of move in/move out days will be given in the Exhibitor manual and must be followed by the exhibitors. Extension of build up, breakdown days beyond those fixed by EWEA will be at an additional charge to the exhibitor and depend entirely on the availability of the venue. The setting up of stands (structure and decoration) must be executed with materials that are not easily flammable and which do not give off harmful gases under the effect of heat and in accordance with the applicable European Standards (EN). Any fittings or decoration inside a "full service" stand should not exceed the height of the walls. Any "space only" exhibitor will need to submit stand plans according to the details provided in the exhibitor manual. "Space only" stands may be subject to additional approvals depending on their height and complexity and the exhibitor can be charged by EWEA with a structural sign off fee.
- 4 Any installations or decorative elements that could affect another exhibitor in any way are prohibited. For any walling facing an aisle that may be 4m or over in height it will be necessary to step the walling back by a minimum of 1 meter into the stand. This is to avoid obstructing the view of neighboring stands.
- 5 No part of the stand may exceed the given stand limits. The exhibitor is responsible for organising his stand so that all exhibits can be examined and demonstrated within the stand limits.
- 6 In the event of non-compliance with these obligations, the stand, parts, exhibits, setting-up and/or decoration may be removed from the exhibition area by EWEA at the expense of the exhibitor.
- 7 The exhibitor undertakes to keep his stand open throughout the duration of the exhibition. He also undertakes not to remove any exhibits or dismantle his stand before the end of the exhibition.
